m more. He responded to the encore with a womit declamation, a polygiot version of 'May Had a Little Lamb' in Chiesee, Irish, French, German and Vasaragiri dialect. That was vasily enjoyed, and of 'Barbara Frietchie,' Mr. Arbuckle has a highly cultivated voice, much pathetic and comic talent, and is a whole concert in himself. Charles F. Lemmis, armed with a pine stick and jack-hife, whittled out the following weres:

orming about 7 o'clock.

We had quite a lively snow-storm between 6 and 7 o'clock this merning through it melled very fast. The ground through it melled very fast. The ground to the depth of more than an inch.

Trains have made themselves rather scarce of late. They are not very well fed in this community. They have broken into the Newholl rasch cook-houseseveral times recently, and utilized the store and other cultary implements, including fuel, for the preparation of food for themselves. They also appropriated what provisions they could find.

Last week, and the first few days of this selves. They also appropriated was previsions they could find.

Last week, and the first few days of this week, we had light frost every morning; and while we cannot say that said frosts consisted the ground, they related protections of the ground, they related protections are been beneficial to the grain crops—particularly the wheat. The laster requires cool weather at this season of the year, particularly when we have had such a warm winter, in order that the stalks may stood and root well. This enables the grain to making gradually and fill well.

The seaton continues propitions, and and said to wo tons of any other coal sold and a said to two tons of any other coal sold and a said to wo tons of any other coal sold
